SUMMARY

Computer engineering student with hands-on experience in customer service, warehouse operations, and signage installation. Skilled at working in fast-paced environments, helping customers, staying organized, and completing detailed tasks with care. Friendly, dependable, and eager to contribute to a team-oriented workplace.

SKILLS

- **Customer Service:** Friendly communication, issue resolution
- **Workplace Skills:** Organization, teamwork, time management
- **Physical Work:** Lifting, stocking, order preparation

EDUCATION

- Toronto Metropolitan University
Bachelor of Engineering in Computer Engineering
- September 2023 - Present
- GPA: 3.4/4.3

CAREER HISTORY

Signage Installer | Signscafer Installation Inc.

Sept 2023 - Dec 2025

- Installed 300 sq ft of interior and exterior wayfinding signs, branded wall graphics, and privacy-frost vinyl per shift (60 sq ft/hour) for clients including the NBA, Scotiabank, and the University of Toronto.
- Addressed fit and print issues on 10+ vinyl installations by trimming panels or resequencing layouts and repurposing off-cuts on-site, saving \$7,000 in reprint costs.
- Front-loaded wall preparation: degreased and dusted surfaces, chalk-marked layouts and removed hardware (knobs and key-card readers) to cut installation time by 25%, ensuring seamless workflows and on-time completion.
- Preassembled and field-fitted 200+ point-of-purchase interactive displays across 50+ retail locations for Microsoft, RBC, and Wine Rack, elevating brand visibility.

Warehouse Associate | Price Group Corp.

June 2022 - Sept 2023

- Picked and prepared an average of 65 pickup orders per shift with 98% accuracy, lifting up to 60 lbs to meet same-day order fulfillment.
- Resolved 6 to 10 customer inquiries daily, including tracking orders and processing returns or exchanges, maintaining a 94% satisfaction rate (4.7/5).
- Operated pallet jacks to load and unload 5+ trucks per week under strict safety protocols, reducing product-damage incidents by 15%.
- Coordinated with the logistics team to pick and dispatch an average of 48 deliveries per day during the October–December peak season, achieving 100% on-time collections.
- Streamlined warehouse maintenance by cleaning, mopping, and baling 500 lbs of packaging waste weekly, contributing to flawless safety audits
